What were the Fund's costs for the last year?

(based on a hypothetical \$10,000 investment)

Class Name	Costs of a \$10,000 investment	Costs paid as a percentage of a \$10,000 investment
Class N	\$124	1.14%

How did the Fund perform during the reporting period?

The Fund's underperformance in Financials, Materials, Utilities, Information Technology, and Healthcare was partly offset by outperformance in Industrials, Consumer Staples, and Real Estate. The Fund outperformed in the first half of calendar 2026 due to strong stock selection, particularly within Industrials and Information Technology. We remain focused on the Fund owning companies that create significant value for their stakeholders, while also trading at attractive valuations. Visit <https://www.eventidefunds.com> for more recent performance information.

How has the Fund performed since inception?

The Fund's past performance is not a good predictor of how the Fund will perform in the future. The graph and table do not reflect the deduction of taxes that a shareholder would pay on fund distributions or redemption of fund shares.
